

Iffley Fields Residents Association Funding Appeal

_email iffleyfields@gmail.com

Last year IFRA celebrated its first quarter century! In the last few years we became more active in raising funds and developing Iffley Fields as a great place to live. Through successful grant applications and crowdfunding we secured four park benches, three litter bins, and wildflower, bulb and tree planting in Meadow Lane Rec. We contributed to the guerrilla garden planting and raised funds for a table tennis to be installed in Spring 2023. We secured a grant to improve Long Bridges as a safer, better swimming area. We have brought residents together with a new book group, a walking group, a history group and a gardening group. We launched a new IFRA website and produce two *Fields* newsletters a year. We have advocated for residents' access rights and planning to the Council and landowners.

However, grants don't pay overheads and now we need your help to raise about £700 core funding each year for printing, newsletter, website costs so we can maintain our momentum. We are asking residents who can afford to do so to make an annual contribution towards these overheads.

- Set up a standing order from your online account,
- Complete the form overleaf to make an annual or a monthly Standing Order and send this to your bank.
- Pay a cheque made out to IFRA and deliver to IFRA c/o 53, Stratford Street.

Please donate as little or as much as you like, whether than be £1/year or £10/month.

We would appreciate a notification of payment to iffleyfields@gmail.com
